FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION**Analysis**

This bill would repeal various funds in the general fund, including the community assistance fund, the civil legal services fund, the power cost equalization endowment fund, the power cost equalization and rural electric capitalization fund, the curriculum improvement and best practices fund, the school construction grant fund, the major maintenance grant fund, and the Alaska higher education investment fund. The bill's effective date is July 1, 2019.

The fund balance of the Power Cost Equalization Endowment on June 30, 2018 was \$1,071,193,000. If this legislation is adopted, the balance of the Power Cost Equalization Endowment will be transferred to the General Fund. The projected change in revenues is the fund balance as of June 30, 2018, less FY2019 appropriations.
